Annual Reports

of

THE TOWN OF

North Hampton

NEW HAMPSHIRE

Year Ending
December 31
1984

Dedication

William P. Fowler, Esq.

Long time public spirited citizen of our Town, Mr. Fowler has served on numerous Boards and Commissions. For the Town he served on the Zoning Commission which drew up the first Zoning Law in 1946, served on the Committee to build the present Elementary School, served as Trustee of Trust Funds and Cemeteries for 41 years, served on the Budget Committee for 20 years, was Tax Collector briefly. For the Village District of Little Boar's Head he served as Moderator for 50 consecutive years; as a Commissioner for 61 years, served on the Commission that put together the first Little Boar's Head Zoning law in 1937, and beginning in 1960 organised many landowners to donate their marsh land to Wild Life Preserves, Inc., resulting in an acquisition of 53.3 acres permanently preserved for all time. In addition to the above, Mr. Fowler has always been generous with advice to the other people who are attempting municipal government. When he rises to speak in Town Meeting his words are listened to.

REPORT OF THE ANNUAL TOWN MEETING OF THE TOWN OF NORTH HAMPTON, N.H.

March 13, 1984

A meeting of the inhabitants of the Town of North Hampton, N.H. duly qualified to vote in Town affairs was held at the Elementary School in said Town on the 13th day of March, 1984. The alphabetical list of the voters, duly subscribed by the Supervisors of the Checklist had been posted and was available at the meeting.

The appointed moderator, Paul S. Cuetara, opened the meeting at 10:00 a.m. and motion was made and seconded that the polls should remain open after the business meeting in order to give all who wished to a chance to vote. It was also moved and seconded that the business meeting should take place commencing at the Elementary School at 7:30 p.m.

At 7:43 p.m. on thame day the Town Meeting was again called to order by Mr. Cuetara, the Moderator, who then stated the rules under which the meeting would be conducted. He then took up the Town Warrant, Article by Article.

ARTICLE 1: To choose one Selectman for a term of three years, one Town Treasurer, one Collector of Taxes, and all necessary Town Officers for the ensuing years.

Mr. Walter Lermer moved and Mr. Southworth seconded, that the Town vote to fill these various positions as follows:

Surveyor of Wood and Lumber D. Morris Lamprey
Wood and Tree Warden Stanley S. Knowles
Overseers of the Poor The Selectmen

The following positions were filled by votes on the official ballot as follows:

MODERATOR, for two years

Paul Cuetara 425

SELECTMEN, for three years
(vote for one)

Sumner A. Claverie 226

Walter S. Lermer 233

Mr. Lermer was elected.

TAX COLLECTOR

John White 450

TOWN TREASURER

Gail G. Johnson 433

LIBRARY TRUSTEE, for three years

Katherine H. Southworth 433

WATER COMMISSIONER, for four years

Hubert W. Gainer 410

TRUSTEE OF TRUST FUNDS AND CEMETERIES

for three years

Shaun G. Berry 431

SUPERVISOR OF CHECKLIST, for six years

Carolyn G. Brooks 430

BUDGET COMMITTEE, for three years

(vote for two)

Roger P. Rice 382

Peter Simmons 231

BUDGET COMMITTEE, for two years

Richard J. Lynch 378

BUDGET COMMITTEE, for one year

Judith H. Batchelder 417

ARTICLE II: To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money in anticipation of taxes.

Motion was made and seconded. There was no discussion.

Vote was by show of hands. **MOTION CARRIED.**

ARTICLE III: To see if the Town will vote to authorize and empower the Board of Selectmen or a majority of them to sell and convey the real property acquired by the Town by tax sale, any such sale to be at public auction to the highest bidder.

Motion was made and seconded; there was no discussion.

Vote was by show of hands. **MOTION CARRIED.**

ARTICLE IV: To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend, without further

action by the town meeting, money from the state, federal or other governmental unit or a private source which becomes available during the fiscal year pursuant to New Hampshire Revised Statutes Annotated Chapter 31: Section 95-b.

Motion was made and seconded; there was no discussion.
Vote was by show of hands. MOTION CARRIED.

ARTICLE V: To see if the Town will vote to accept the reports of Town Officers.

The reports of the Town Officers were reported in the Town Book and this was brought to the attention of the meeting. The motion to accept Article V was made and seconded; there was no discussion. Vote was by show of hands. MOTION CARRIED.

ARTICLE VI: (RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will appropriate a sum not to exceed Ten Thousand Five Hundred Seventy-Seven Dollars (\$10,577.00) for the purchase of a new police cruiser, and to authorize the withdrawal of not more than Eight Thousand Dollars (\$8,000.00) from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, with the balance to be withdrawn from Capital Reserve Fund No. 6, and to authorize the Selectmen to act as agents for the Town in connection with the purpose for which this fund was established in accordance with New Hampshire Revised Statutes Annotated Chapter 35, Section 15.

The motion was made and seconded, there was no discussion; vote was by show of hands, and MOTION CARRIED.

ARTICLE VII: (RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will appropriate the sum of Ten Thousand Dollars (\$10,000.00) to add to Capital Reserve Fund No. 10 for the purchase of a truck for the highway department, and to authorize the withdrawal of that amount from the Revenue sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

The motion was made and seconded, there was no discussion; vote was by show of hands. MOTION CARRIED.

ARTICLE VIII: (RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will appropriate the sum of Four Thousand Five Hundred Dollars (\$4,500.00) for the purpose of fire station maintenance including ceiling fans, painting, and insulation, and to authorize the withdrawal of the same amount from Revenue Sharing Funds under the provisions of the State and Local Assistance Act of 1972 and amendments thereto.

The motion was made and seconded, there was no discussion; vote was by show of hands. MOTION CARRIED.

ARTICLE IX: (RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will appropriate the sum of Seven Thousand Five Hundred Dollars (\$7,500.00) for the purpose of planning and establishing necessary improvements in the heating system at the Library, and to authorize the withdrawal of the same amount from the Revenue Sharing Funds under the provisions of the State and Local Assistance Act of 1972 and amendments thereto.

The motion was made and seconded. There was some discussion and it was explained that among the options being considered were converting the present system to oil heat, and perhaps a water circulating system, or to convert to hot air heat for the reading room only, and the necessary changes in the air ducting system. Other changes considered were insulating curtains across the front of the library, the addition of other storm windows, changing the lighting system to allow for insulation to be placed over the existing lights. There was no further discussion. Vote was by show of hands, and MOTION CARRIED.

ARTICLE X: (RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will appropriate the sum of Two Thousand Dollars (\$2,000.00) for the purpose of repair, renovation and improvement in the Town Offices including purchase of a map case, a typewriter for the Tax Collector, microfiche, a hall sign, additional lights, a counter at the Tax Collector's door, a heating survey of the Town buildings, and to authorize the withdrawal of the same amount from the Revenue Sharing Funds under the provisions of the State and Local Assistance Act of 1972 and amendments thereto.

The motion was made and seconded and there was some discussion. Further information was requested, and it was mentioned that the Police complex is in need of repairs and renovations in its present location at the back of the Town Hall, the facilities there are inadequate, there is no lock-up, there is no interrogation area. The Highway Department has a back wall that is in need of repairs. There was no further discussion. Vote was by show of hands. MOTION CARRIED.

ARTICLE XI: (RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will appropriate the sum of Two Thousand Dollars (\$2,000.00) for the purpose of repair, renovation of certain Town buildings, and to authorize the withdrawal of the same amount from the Revenue Sharing Fund under the provisions of the State and Local Assistance Act of 1972 and amendments thereto. Vote was by show of hands. MOTION CARRIED.

ARTICLE XII: Whereas the Town Stump Dump has been in violation of State regulations due to illegal dumping, and whereas it is desireable to continue the use of the Stump Dump, the following regulations are adopted. All previous regulations and ordinances pertaining to the Stump Dump are hereby rescinded.

1. The Stump Dump shall be open only on Wednesdays and Saturdays from 8 a.m. to 12 p.m. and from 1 p.m. to 5 p.m. from April 1 to December 1 of each year.
2. Only stumps, branches and like matter of a bio-degradable nature excluding garbage, toxic or hazardous material, may be deposited in the Stump Dump providing that these items come only from the Town of North Hampton, and are not eligible for disposal at the Pease energy plant.
3. In addition to the items in paragraph 2, the Selectmen shall provide on the second Saturday of each month that the Stump Dump be open to receive white goods (refrigerators, etc.) tires and furniture including mattresses. The Selectmen shall periodically arrange to dispose of these items.

4. The Selectmen shall provide an attendant whenever the dump is open to insure proper use and compliance with the regulations.

5. The penalty for violation of this ordinance shall be a fine of not more than \$25.00 for each occurrence and the violators shall be required to remove, or pay for the removal of, non-conforming items.

The Moderator explained that Article XII and Article XIII both concerned waste disposal, and he wished to keep the discussion of each article separate. One of the Selectmen mentioned that the dumping of garbage has been a problem, and we want the Town Meeting to establish regulations to solve this. In addition there will be a large receptacle provided for white goods.

Mr. Muller stated he thought the penalty as provided in the Article (\$25.00) should be increased to two hundred and fifty dollars (\$250.00) and Mr. Jellenick seconded this. The Chief of Police, however, mentioned that he believed that according to the State of New Hampshire law, the maximum fine allowable is \$100.00. Mr. Lerner of the Selectmen agreed with the Chief. Mr. Muller's amendment consequently was reduced to a fine of \$100.00, which was seconded.

A question was raised as to what provision had been made for the disposal of construction rubbish such as plaster walls, older brick, cement and the like, and the Selectmen reported that they had no solution to that problem at this time.

The Moderator requested approval of the motion to change the fine from \$25.00 to \$100.00; this was seconded, vote was by show of hands, and the MOTION CARRIED.

Question was raised as to who would be in charge of the dump, and whether someone would be there all the time, and this was answered by the Selectmen in the affirmative.

Question was raised as to whether the dumping facility would be for tourists as well as townspeople, and Mr. Lerner replied that it would only be for North Hampton residents. Question was further raised as to what would happen to

white goods, and it was answered that we would have a designated area for their disposal.

The Moderator then called for a vote on Article XII and vote was by show of hands, and MOTION CARRIED.

ARTICLE XIII: On petition of Harlan E. Carter and ten other legal voters of the Town of North Hampton to see if the Town will vote to raise and appropriate the sum of Six Thousand Eight Hundred Dollars (\$6,800.00) to build a salvage and waste depot on Town owned property and for the rent of a Refuse Roll-off container to be used at such salvage and waste depot.

A motion was made and seconded and there was some discussion. Mr. Carter explained that this depot would have to be manned but would take care of the disposal of waste metal and scrap. He showed a diagram of what he had in mind. He mentioned that the container would cost about \$100 a month to rent and the truck to haul the container would cost \$30 a month. No chemicals, oils or garbage would be allowed to be placed in the container. The question was raised again as to whether this would be for North Hampton residents only and how we would monitor the use, and the answer was that a Town employee would be on duty to control what was dumped here. The question was raised as to how the employee would know who had the right to dump here and it was answered by saying that window stickers would be available for the cars of the Town residents.

One of the Selectmen mentioned that he would like to further study the holding and disposal of white goods because we worry about the unattended dump area as a threat to kids in the town. Old refrigerators and the like can be quite dangerous. One of the town residents, Mr. McLennon, mentioned that the bin idea seemed like a good idea, if it can be well managed. Mr. Knowles of the Selectmen mentioned that the Stump Dump had been well managed, and that having one place for white goods is better than having them spread around town waiting to be picked up by a separate truck. Mr. Carter mentioned that the safety record is 100% for the last three years on the containers in question. Mr. Carter was questioned as to how the costs would be allocated and

he mentioned that \$1,800.00 a year is for six pick-ups per year of the container. Mr. Chevalier mentioned that he had to go by the Stratham Dump every morning, and he noticed that there were junk dealers lined up waiting to get in there to pick over what had been dumped there. If we are going to have a white goods dump it will have to be well organized to keep similar dealers in hand here. Mr. Simmons mentioned that he was in favor of the motion by Mr. Carter and that it would cost the town much more than \$6,000.00 a year for the town to operate a similar service themselves. Roger Rice mentioned that he would like to postpone the article. The Moderator mentioned that we could not handle the situation this year. We should vote to either approve or defeat the article as it was presented. Mr. Sanborn mentioned that, while he was in favor of the motion, there were several safety considerations. The Moderator then called for a vote by show of hands, and in favor of the motion: 67; opposed to the motion: 48; MOTION CARRIED.

ARTICLE XIV: To see if the Town will vote to approve the return to the Town Revenue Sharing account of certain allocated but unspent Revenue Sharing Funds so they may again be allocated, namely:

Police Body Armor	\$ 50.00
Fire Dept. Body Work Eng. #1	82.41
Fire Dept. Update Regulators	40.00
Police Radar Unit (returned from State)	1,028.00
Highway Spreader	752.47
Town Office inst. lights, paint & repairs	50.93
Town Hall Tables	<u>289.54</u>
TOTAL	\$ 2,293.35

Motion was made and seconded, there was no discussion, vote was by show of hands, and MOTION CARRIED.

ARTICLE XV: To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

This article was presented by Mr. Carrigg, the Chairman of the Budget Committee. The Town Budget was then read line

by line. When it came to the item of “Public Safety” — Fire Department, a “hold” was requested by the Fire Department Chief who made a motion for the inclusion of an additional \$12,000.00, thereby raising this portion from \$157,985.00 to \$169,985.00, and this motion was seconded by a Selectman.

Chief Goodwin explained that the Fire Department badly needed a new suburban because the old one is in need of \$2,800.00 worth of repairs. He mentioned that two years ago the Town spent \$1,000.00 for repairs on this same vehicle, and that the vehicle, which is a 1976 model, was bought by the Town in 1979, and has the following uses:

Inspection of various places in town, running to get parts for the Fire Station equipment, snowplowing around the Fire Station, providing transportation of additional staff to go to fires, to get to emergency situations, to plow out certain areas to enable the fire personnel to get to work, and for other items. Chief Goodwin then went on to explain that the town allocates funds for the use of his personal vehicle for some of these purposes, but his vehicle is only available when he is at the station. Further, his car is not a four-wheel drive vehicle and some of the jobs could not be done by it. He went on to say that such a new vehicle will last from one to 12 years; at a cost of \$12,000.00 the town will have a good vehicle for about \$1,000.00 a year. He also mentioned that the Fire Department needed a four-wheel drive vehicle.

Mr. Lerner mentioned that the Selectmen were against this motion for the following reasons: the budget has to stop somewhere; the present vehicle can be patched up for less than the figure suggested. The Fire Chief would like to have a four-wheel drive vehicle, and we realize that. Peter Simmons reported that he was in favor of a new vehicle and Mrs. Martin asked what the mileage was of the current vehicle. It was reported that it had 78,000 miles on it. A question was raised as to whether this new vehicle had the approval of the Budget Committee, and Mr. Simmons said that it did. Mr. Carrigg reported that the Budget Committee was in favor of buying a new vehicle, but that the Selectmen were not. There was discussion as to what the old vehicle required in the form of repairs. Mr. Lerner reported that,

although he was not in favor of this new vehicle, it was better to buy a new one than another used one, if we did become involved in the purchase.

Police Chief Golden moved the question, and his motion was seconded, and after a show of hands, motion to move the question passed.

The Moderator announced that a motion had previously been made that discussion be ended, and since this is a vote to increase the approved budget, he rules that we will have to have written ballots. Since the original motion had been moved and seconded, the people were told to line up and provided with ballots. The result of the voting was, Yes, in favor of amending the budget to \$169,985.00: 85. No, to keep the current budget of \$157,985.00: 41. MOTION CARRIED.

The Budget Committee Chairman then announced that the Fire Chief had offered to return to the budget the sum of \$1,200.00, which money had been allocated for the use of his personal car. Moderator announced the new amended budget figure for the Fire Department is: \$168,795.00. There was no discussion. Vote was by show of hands, and the new figure was Accepted.

The reading of the budget then continued. The next "hold" was on an item of \$31,773.00 under the title of Block Grant. It was explained that this is a new method the State uses for allocating certain funds to the town which then have to be appropriated in order to be spent. The reading of the budget continued.

Under the heading of "Debt Services" there was a typographical error, and the figure was amended from \$20,000.00 to read \$45,000.00. The reason for the amendment was as follows, as explained by Mr. Lermer:

Tax borrowing can be done in two ways—we can borrow all the money at one time and then invest that portion we are not using, or we can borrow what we need when we need it. If we borrow all the money at one time, we can invest at relatively high interest rates, and as we get the money from the State at low interest rates, it would be profitable for us to do it that way. The question was raised by Mr. Carter as to

whether or not we were asking for bids from the different banks to determine from whom we should borrow our money and was answered by Mr. Lermer in the affirmative. He said that we had recieved three bids and that borrowing will be based on the one with the lowest rate. A question was raised as to what our maximum borrowing power was, and was answered by the fact that we can only borrow what we need.

Mr. Cuetara called for a vote on increasing the budget on this particular debt service item from \$20,000.00 up to \$45,000.00; vote was by ballot, Yes: 94, No: 4, MOTION CARRIED.

Question was raised regarding capital outlay, how much capital revenue, capital sharing funds are on hand and not committed. This was answered by Mr. Lermer by saying all of the \$24,000.00 that we had on hand is committed.

Mr. Larkin submitted a question to the Selectmen: What effect, if any, is there on Revenue Sharing with the current mobile home placement? It was answered by Mr. Lermer: None. Question was again asked: Does this placement have any effect on what happens from the State? The answer was that it has no effect whatsoever. A further question was again raised: Why do we have a reference to this on our ballot? This was answered by Mr. Lermer: In order for our ordinance to be in line with the State regulations, we had to place it on the official ballot.

The Chairman of Budget Committee, Mr. Carrigg, then moved that we accept the amended budget for the Town of \$1,064,400.00 to \$1,102,834.00. Motion was seconded, vote was by show of hands, MOTION CARRIED.

ARTICLE XVI: Shall the business portion of the Annual Town Meeting be held at 10 a.m. of the Saturday following the Tuesday Town Voting portion of said meeting?

Mr. Southworth spoke in opposition to this motion. He said that in his opinion it would simply drag the Town Meeting out, and it would well take up most of the following Saturday, whereas with the present arrangement, with any luck at all, we could close this meeting by 10:30 p.m. Mr. Carter men-

tioned that he did not want to come out two nights in a row, and Mr. Chevalier said that he was against this motion, since he worked on Saturday morning. There was a motion made to end discussion, which was seconded; a vote was made by show of hands, MOTION DEFEATED.

ARTICLE XVII: On petition of Mrs. Phebe P. Mixter and more than ten of the legal voters of the Town of North Hampton, to see if the Town of North Hampton shall call upon the Governor and Executive Council, its State Representative(s) and State Senator to promptly convene a special session of the Legislature for the sole purpose of preventing the imposition of huge cost increases in electric rates resulting from the Seabrook Nuclear Power Plant on the citizens, businesses, schools and agencies in the Town of North Hampton, and to direct the Selectmen to promptly notify our above listed elected officials of the Town's desire.

Mr. James M. E. Mixter then read a further statement in support of the above article. Mr. Muller reported that while the costs of the Seabrook Plant were real and huge, we are not voting for a solution to the problem. There was considerable further discussion. The Moderator called for a vote. It was by show of hands, and Motion Carried.

ARTICLE XVIII: (ON THE OFFICIAL BALLOT) Are you in favor of the adoption of the Amendment as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To see if the Town will vote to amend SECTION 302 to read as follows:

1. Amend Section 302 (Definitions) to read:

21. MOBILEHOME: A structure of vehicular design, built on a chassis and designed to be moved from one site to another. Mobilehomes shall comply to the requirements of the BOCA 1 and 2 Family Dwelling Code as adopted by the Town of North Hampton and to be certified as such by the manufacturer. Mobilehomes placed on individual lots or in a subdivision shall have ridge roofs with asphalt shingles and horizontal siding of either vinyl, aluminum, or wood. Mobilehomes shall have a minimum living area of 720 square feet and a minimum width of 14 feet. (RECOMMENDED BY THE PLANNING BOARD.)

Yes: 377, No: 76. AMENDMENT CARRIED.

ARTICLE XIX: Are you in favor of the adoption of the amendment as proposed by the Planning Board for Town Zoning Ordinance, as follows:

To see if the Town will vote to amend SECTION 302 to read as follows:

35. MODULAR HOME: A dwelling that is pre-cut and assembled of individual elements either in the shop or at the site before erection in the building structure. Prefabricated shop assemblies may be shipped in structurally complete units ready for installation on a foundation or in knockdown and packaged form for assembly at the site. (RECOMMENDED BY THE PLANNING BOARD.)

Yes: 380, No: 55. AMENDMENT CARRIED.

ARTICLE XX: Are you in favor of the adoption of the amendment as proposed by the Planning Board for the Town Zoning Ordinance, as follows:

To see if the Town will vote to amend SECTION 302 to read as follows:

36. MOBILEHOME PARKS: Any land rented for the location, either permanently or temporarily, of one or more mobilehomes, recreational vehicles, travel trailers, tent campers, or other vehicles intended for a similar purpose. (RECOMMENDED BY THE PLANNING BOARD.)

Yes: 347, No: 82. AMENDMENT CARRIED.

ARTICLE XXI: Are you in favor of the adoption of the amendment as proposed by the Planning Board for the Town Zoning Ordinance, as follows:

To see if the Town will vote to amend SECTION 302 to read as follows:

37. MANUFACTURED HOUSING: Any and all forms of modular, utilized or prefabricated housing as certified to being built to BOCA Code which are brought to and assembled at a building site, placed on a foundation and tied into all necessary and conventional utility systems and

which are intended for the use as a permanent dwelling unit. (RECOMMENDED BY THE PLANNING BOARD.)

Yes: 370, No: 62. AMENDMENT CARRIED.

ARTICLE XXII: Are you in favor of the adoption of the amendment as proposed by the Planning Board for the Town Zoning Ordinance, as follows:

To see if the Town will vote to amend SETION 405 to read as follows:

- 2. Add to Section 405 (permitted uses), 1-B Industrial District:
 - 12. Single Family Dwellings
 - 13. Mobilehome Parks
- (RECOMMENDED BY THE PLANNING BOARD.)

Yes: 314, No: 107. AMENDMENT CARRIED.

ARTICLE XXIII: Are you in favor of the adoption of the amendment as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To see if the Town will vote to amend Section 405 to read as follows:

- 3. Add to Section 405 (permitted uses), under R-3 Low Density District:
 - 7. Single Family Mobilehome

Yes: 202, No: 230. AMENDMENT DEFEATED.

ARTICLE XXIV: Are you in favor of the adoption of the amendment as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To see if the Town will vote to amend SECTION 405 to read as follows:

- 4. Add to Section 405 (permitted uses), under R-3 Low Density District:
 - 8. Mobilehome Subdivision

Yes: 178, No: 244. AMENDMENT DEFEATED.

ARTICLE XXV: Are you in favor of the adoption of the amendment as proposed by the Planning Board for the Town Zoning Ordinance, as follows:

To see if the Town will vote to amend SECTION 503 to read as follows:

Mobilehomes and Recreational Vehicles:

Shall not be permitted elsewhere than in those areas where they are specifically identified as a permitted use in Section 405. Manufactured housing located on individually owned lots shall comply with all building codes, lot size and frontage requirements, space limitations, and other controls. The Building Inspector may permit the temporary location of mobilehomes elsewhere than those areas where permitted for a temporary purpose found by him not to be injurious or offensive to the neighborhood. Any temporary location shall be limited to the time specified on the permit. This section shall not affect the temporary placement of recreational vehicles in a mobilehome park for a period not to exceed six months. The occupants of a single family dwelling may, without permit, park an unoccupied recreational vehicle on the lot where they reside. (RECOMMENDED BY THE PLANNING BOARD.)

Yes: 335, No: 95. AMENDMENT CARRIED.

ARTICLE XXVI: Are you in favor of the adoption of the amendment as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To see if the Town will vote to change SECTION 401 by the addition of the following section thereto:

The following land is changed in designation from R-2 to 1-B:

Commencing at the southerly corner of land on the north side of Atlantic Avenue now or formerly owned by one Shirley Philbrick, east of the Town Hall, and extending northerly along the boundary line between the Town Hall and the said Philbrick land a distance of about 500 feet to the northwest corner of land of one Fields, thence, turning and running easterly about 200 feet to land of the Boston and Maine Railroad, thence turning and running southerly about 500 feet by land of Lamprey and land of the said Philbrick, thence, turning and running in a westerly direction to the point of the beginning. Said change will therefore affect land of Philbrick, Fields, and Lamprey. (RECOMMENDED BY THE PLANNING BOARD.)

Yes: 306, No: 120. AMENDMENT CARRIED.

ARTICLE XXVII: To transact any other business that may legally come before this meeting: Mr. Kirby made a motion that the Selectmen write William Fowler, who is retiring, a letter of testament to his services to the Town of North Hampton. Motion seconded; Motion Carried. Mr. Lermer made a motion for adjournment of the Town meeting. Motion seconded. Motion Carried at 10:20 p.m.

A true and official record of the 1984 North Hampton Town Meeting.

Respectfully submitted,

Delores J. Chase
Town Clerk

SELECTMEN'S ANNUAL REPORT TO THE TOWN

The Town is growing. The Report of the Building Inspector shown elsewhere in this book is a clear indication of this. Seven million dollars worth of new construction last year, five million the year before that. We now have about 1,315 domiciles in town, up 10.6% from 1980.

But growth brings problems. Foremost among these is what to do with our waste. The Coakley pit is closed and we are sending material to Pease where a refuse-to-energy plant is in operation. Even the stump dump has a hard time surviving, with dump hours, an attendant, and perhaps even a bulldozer necessary.

And growth brings increased costs. The Town budget has doubled in the last 9 years. Some of the items we can do nothing about—last year the cost of hydrant “rental” went from \$53,000 to \$74,000. This year the cost of Town insurance went from \$40,000 to \$74,000. We are fearful of the electric rates another year.

But we must be doing something right — people continue to move into Town and continue to build houses here. One of the chief reasons that they find this an attractive place to live is our strict zoning controls. These are backed by one of our greatest assets—volunteers. Fifteen boards and commissions are manned by 67 citizens—all serving without pay . . . and not without criticism.

Some other assets—our “greenspace.” In the marshes 53 acres have been set aside. In other sections of Town the Conservation Commission administers 60 acres. And recently we understand additional land has been given to the Town for use as playing fields for our youngsters. We thank the public-spirited citizens who have made these things possible.

Another of our strengths is our employees. They are dedicated, they stay within their budgets, they work conscientiously . . . they even talk to each other, which is not always the case in Town government.

And, speaking personally, after nine years as a Selectman I can say that I have never worked with a nicer group of people. No wonder people move into Town.

February 6, 1985

R. A. Southworth, for the Selectmen

MATTERS OF INTEREST

OFFICE HOURS

The Town Offices, Selectmen's Office, Town Clerk's Office and Tax Collector's Office are open on the days and times posted on the front door of the Town Offices Building.

POSTING OF NOTICES

Notices of meetings of the Planning, Zoning, Conservation, Budget Committee, and like organizations are normally posted inside the front door of the Town Office Building and in the Post Office. They may, in addition, when required, appear in the Portsmouth Herald, The Hampton Union, or other papers.

SELECTMEN'S MEETINGS

The Selectmen meet the 2nd and 4th Monday evening of each month commencing at 7:30 p.m. Any person wishing an appointment should contact the Administrative Assistant before 4:00 p.m. (964-8087) to be placed on the agenda. The reason for this is that the Department Heads normally make their reports first and this system saves waiting time. However, all persons are welcome to attend all meetings and are urged to do so.

PROPERTY INVENTORIES

Property Inventories are no longer required.

VETERAN'S EXEMPTION FORMS

Veterans who request an exemption are required by law (RSA 72-33) to fill out Form A-2 (the green sheet), on which is recorded their war record. Once these are filled out they become a permanent part of the individual's record, and they are not required to be filled out annually.

ELDERLY EXEMPTIONS

Interested parties are urged to consult with the Town Administrative Assistant.

SOLAR EXEMPTION

The green form mentioned above must also be filled out for this exemption, after which inspection is usually made.

WIND EXEMPTION

The Town has not voted on this matter yet and no exemption is allowed.

CURRENT USE

Current Use Forms must be completed by April 15th of each year. Once Current Use is allowed it is not necessary to fill out the form again. If the land is sold a "Use Change Tax" is assessed.

OFFICE HOURS

Selectmen's Office

Mon. Tues. Wed. & Fri.

9 AM to 12 Noon - 1 to 5 PM

Saturday

9 AM to 12 Noon

Town Clerk:

Mon. thru Fri.

8:30 AM to 2 PM

Mon. & Wed. evenings

6:30 to 8 PM

Tax Collector:

Mon. - Wed. - Fri.

9 AM to 12 Noon

Monday evening

7 to 8 PM

Building Inspector and

Code Enforcement Officer

Office in Town Hall

Monday thru Thursday

9 to 12

Afternoons for inspections

NOTE: The Selectment urge all residents to make sure their street numbers are prominently displayed to assist in case of emergencies.

REPORT OF THE TRUSTEES OF THE NORTH HAMPTON PUBLIC LIBRARY

A glance at a few of the activities in the Town Library during 1984 will reflect some of the diverse elements and roles which make up today's North Hampton Public Library.

In January the trustees tackled the project of reevaluating and remodeling the library's heating system. Over the past few years electricity usage had been cut considerably, but costs had continued to rise. The decision was made to convert, using revenue sharing money, to an oil-fired forced hot air system. This change-over was completed during the summer months. At the same time, ceiling fans were added with money raised by the Friends of the Library. Future plans to improve heating and cooling efficiency in the Library include replacement of ceiling lights, new ceiling panels, and added insulation in the attic.

April and National Library Week brought the International Soup Luncheon sponsored by the Friends, as well as a puppet show for the children. Summer activities included the First Annual North Hampton Road Race in June, sponsored by the Library and the Boosters Club, and the Library Fair and Book Sale in July. Money raised by these efforts was used to buy a computer for children to use in the Library. The demand for computer information continues to grow, and a well-attended computer workshop was held in the Library in October.

The Library year ended on a festive note with the Friends' tree-trimming party, their float in the North Hampton Christmas Parade, and a Library open house.

This brief survey of the year does not include, however, the numerous regular ongoing activities in the Library, such as reference, circulation, story hours, and exhibits. Nor does it mention the ongoing efforts to improve service to the community, such as extending the Saturday hours until 1 o'clock or preparing for the start-up of the New Hampshire Automated Information Systems.

1984 was again a year for staff changes. When Mary Pettus and her family left the area in August, Sally Reed once again stepped in to become librarian; when the latter left in December to become librarian in Middlebury, Vermont, Robin LeBlanc was

appointed acting librarian. At this time it was decided to eliminate the position of assistant librarian and to create instead a director of children's services. These times of transition have been smoothed immeasurably by the services of the library assistants and the library volunteers.

This year, as in past years, many individuals and groups worked together to facilitate the Library's operations, and for the work and support of the librarians, staff, volunteers, Friends, and, especially, patrons, during the year, the trustees are deeply grateful.

Jane E. Boesch
Marie L. Gainer
Katherine H. Southworth
Trustees

January 1, 1985

REPORT OF THE LIBRARIAN OF THE NORTH HAMPTON PUBLIC LIBRARY

To the Trustees of the North Hampton Public Library:

Circulation statistics for the year ending December 31, 1984:

Adult books	14,982
Juvenile books	8,959
Magazines	2,378
Records, puzzles, tapes	<u>1,219</u>
TOTAL	27,538

Additions to the collection:

Adult books	714
Juvenile books	<u>423</u>
TOTAL	1,137

Discarded from the collection (approximation):

Adult	733
Juvenile	<u>340</u>
TOTAL	1,073

(Note: these include missing titles that will not be replaced and paperback books from the RECI collection that we've decided not to keep, as well as volumes discarded because of poor condition, low circulation, and/or out of date information.)

1984 fine money collected:

Balance from 1983	\$ 8.35
Fines received, 1984	<u>1,526.34</u>
	\$1,534.69

Expenditures books/media	\$1,362.21
Balance December 31, 1984	\$ 172.48

172 books were borrowed from other libraries: 146 through the New Hampshire State Library Inter-Library loan system, and 26 from Seacoast libraries.

319 new patrons registered at the library during 1984.

A road race was held in early June, co-sponsored by the Boosters and backed by the NIKE Corporation. Our share of the net profits came to about \$200.00. In August we held our Annual Book Sale and Library Fair, which brought us about \$600.00. With these monies we were able to purchase a Commodore VIC-20 for the children's area, a t.v. to act as a monitor, and a computer desk, as well as miscellaneous other needed items.

January 16, 1985

Respectfully submitted,

Robin H. LeBlanc,
Librarian

NORTH HAMPTON
TOWN WARRANT
and
TOWN BUDGET

THE STATE OF NEW HAMPSHIRE

TOWN OF NORTH HAMPTON

TOWN WARRANT FOR 1985

L.S.

To the Inhabitants of the Town of North Hampton in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the School Building on Atlantic Avenue, in said North Hampton on Tuesday, the 12th day of March, 1985, at 10 a.m. in the morning, business meeting to begin at 7:30 p.m., polls to close at 7:30 p.m. and to reopen at the close of the business meeting, remaining open until all who wish to have voted; to act upon the following subjects:

ARTICLE I. To choose one Selectman for a term of three years, one Town Treasurer, one Collector of Taxes, and all necessary Town Officers for the ensuing years.

ARTICLE II. To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen, to borrow money in anticipation of taxes.

ARTICLE III. To see if the Town will vote to authorize and empower the Board of Selectmen or a majority of them to sell and convey the real property acquired by the Town by tax sale, any such sale to be at public auction to the highest bidder.

ARTICLE IV. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend, without further action by the town meeting, money from the state, federal or other governmental unit or a private source which becomes available during the fiscal year pursuant to New Hampshire Revised Statutes Annotated Chapter 31: Section 95-b.

ARTICLE V. To see if the Town will vote to accept the reports of Town Officers.

ARTICLE VI. (RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will appropriate a sum not to exceed Ten Thousand Six Hundred Eighty-four Dollars (\$10,684.00) for the purchase of a new police cruiser, and to authorize the withdrawal of not more than Eight Thousand Five Hundred Dollars (\$8,500.00) from the Revenue Sharing Fund established under the provisions of the

State and Local Assistance Act of 1972, with the balance of Two Thousand One Hundred Eighty-four Dollars (\$2,184.00) to be withdrawn from Capital Reserve Fund No. 6, and to authorize the Selectmen to act as agents for the Town in connection with the purpose for which this fund was established in accordance with New Hampshire Revised Statutes Annotated Chapter 35, Section 15.

ARTICLE VII. (RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will appropriate the sum of Five Thousand Dollars (\$5,000.00) to add to Capital Reserve Fund No. 10 for the purchase of a truck for the highway department, and to authorize the withdrawal of that amount from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE VIII. (RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will appropriate the sum of Five Thousand Dollars (\$5,000.00) for the purpose of continuing the program of improvements to the heating system and other energy saving items at the Library and to authorize the withdrawal of the same amount from the Revenue Sharing Funds under the provisions of the State and Local Assistance Act of 1972 and amendments thereto.

ARTICLE IX. (RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will appropriate the sum of Four Thousand Dollars (\$4,000.00) for the purpose of purchasing replacement radios for the Police Department, and to authorize the withdrawal of the same amount from the Revenue Sharing Funds under the provisions of the State and Local Assistance Act of 1971 and amendments thereto.

ARTICLE X. (RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will appropriate the sum of Three Thousand Five Hundred Dollars (\$3,500.00) for the purpose of purchasing a variable flow control panel for the Mosquito Commission, and to authorize the withdrawal of the same amount from the Revenue Sharing Funds under the provisions of the State and Local Assistance Act of 1972 and amendments thereto.

ARTICLE XI. To see if the Town will authorize the Selectmen to enter into an agreement for three years with David Pope. Said agreement would have Pope improve at his expense and furnish to the Town a parking area on Ocean Boulevard, owned by Pope, for the use of Town residents. Further, the Selectmen would develop and operate a system of permits for the vehicles to be parked, charging Ten Dollars (\$10.00) per permit sticker. Also, to see if the Town will raise and appropriate the sum of Eight Thousand Five Hundred Dollars (\$8,500.00) for this purpose for this year.

ARTICLE XII. On petition of Elizabeth H. Terry and eleven other legal voters of the Town of North Hampton, to see if the Town will raise and appropriate the sum of One Thousand Seven Hundred Fifty Dollars (\$1,750.00) to assist Seacoast Hospice, a non-profit organization.

ARTICLE XIII. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

ARTICLE XIV. ARE YOU IN FAVOR OF THE ADOPTION OF THE AMENDMENT AS PROPOSED BY THE PLANNING BOARD FOR THE TOWN ZONING ORDINANCE, as follows:

To see if the Town will vote to change SECTION 302.24 by the substitution of the following:

24. Frontage: The distance for which a lot abuts and is adjacent to one town accepted or maintained road within the limits of the Town of North Hampton as shown on the Official Map.

RECOMMENDED BY THE PLANNING BOARD

_____ YES _____ NO

ARTICLE XV. ARE YOU IN FAVOR OF THE ADOPTION OF THE AMENDMENT AS PROPOSED BY THE PLANNING BOARD FOR THE TOWN ZONING ORDINANCE, as follows:

To see if the Town will vote to change SECTION 302.32 by the substitution of the following:

32. Poorly Drained Soils: Soils in which water is removed so slowly that the soil remains wet for a large part of the time. A poorly drained soil has a water table near the ground surface that keeps the soil wet for 7 to 9 months of the year as defined by the Soil Conservation Service.

RECOMMENDED BY THE PLANNING BOARD

_____ YES _____ NO

ARTICLE XVI. ARE YOU IN FAVOR OF THE ADOPTION OF THE AMENDMENT AS PROPOSED BY THE PLANNING BOARD FOR THE TOWN ZONING ORDINANCE, as follows:

To see if the Town will vote to change SECTION 302.33 by the substitution of the following:

33. Very Poorly Drained Soils: Soils in which water is removed from the soil so slowly that the water table remains at or on the ground surface most of the year as defined by the Soil Conservation Service.

RECOMMENDED BY THE PLANNING BOARD

_____ YES _____ NO

ARTICLE XVII. ARE YOU IN FAVOR OF THE ADOPTION OF THE AMENDMENT AS PROPOSED BY THE PLANNING BOARD FOR THE TOWN ZONING ORDINANCE, as follows:

To see if the Town will vote to change SECTION 403 by deleting I-B Industrial-Business District and substituting the following:

I-B/R Industrial-Business/Residential: The Industrial-Business/Residential District is limited to business, light industrial and certain residential uses. By establishing compact areas for such uses, better fire protection, police protection and utilities may be provided. Performance standards and yard regulations are set forth in this ordinance to insure safe development that is compatible with adjacent uses. The purpose of this district is to encourage business growth and industrial installations in a campus like arrangement in the vicinity of important highways and other key locations.

RECOMMENDED BY THE PLANNING BOARD

_____ YES _____ NO

ARTICLE XVIII. ARE YOU IN FAVOR OF THE ADOPTION OF THE AMENDMENT AS PROPOSED BY THE PLANNING BOARD FOR THE TOWN ZONING ORDINANCE, as follows:

To see if the Town will vote to change SECTION 405 by the addition of the following:

Permitted Uses: I-B/R Industrial-Business/Residential District
14. Single Family Mobilehome

RECOMMENDED BY THE PLANNING BOARD

_____ YES _____ NO

ARTICLE XIX. ARE YOU IN FAVOR OF THE ADOPTION OF THE AMENDMENT AS PROPOSED BY THE PLANNING BOARD FOR THE TOWN ZONING ORDINANCE, as follows:

To see if the Town will vote to change SECTION 406 YARD AND LOT REQUIREMENTS by the addition of the following:

- 406.5 A lot in the I-B/R District that is presently utilized for business purposes shall not be used for residential purposes. Any existing undeveloped lot may be used for either a business or residential purpose, but not both.

RECOMMENDED BY THE PLANNING BOARD

_____ YES _____ NO

ARTICLE XX. ARE YOU IN FAVOR OF THE ADOPTION OF THE AMENDMENT AS PROPOSED BY THE PLANNING BOARD FOR THE TOWN ZONING ORDINANCE, as follows:

To see if the Town will vote to change SECTION 406 YARD AND LOT REQUIREMENTS by the addition of the following:

- 406.6 No building shall be constructed on any lot that does not have frontage on a street that has been accepted by the Town of North Hampton. For the purpose of this paragraph, a street that is located in the Town of North Hampton and is under construction, may be considered at the discretion of the building Inspector to be accepted only for the issuance of building permits thereon.

RECOMMENDED BY THE PLANNING BOARD

_____ YES _____ NO

ARTICLE XXI. ARE YOU IN FAVOR OF THE ADOPTION OF THE AMENDMENT AS PROPOSED BY THE PLANNING BOARD FOR THE TOWN ZONING ORDINANCE, as follows:

To see if the Town will vote to change SECTION 406 YARD AND LOT REQUIREMENTS by the addition of the following:

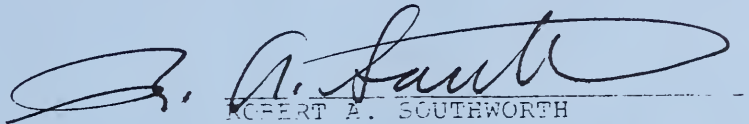

406.7 Any newly created street must at least connect with an accepted street in the Town of North Hampton.

RECOMMENDED BY THE PLANNING BOARD

_____ YES _____ NO

ARTICLE XXII. To transact any other business that may legally come before this meeting.

GIVEN under our hands and seals this 16TH day of February, in the year of our Lord, Nineteen Hundred and Eighty-five.

Notice: School District Officers will be elected at the Town Meeting, North Hampton Elementary Cafeteria, March 12, 1985, in accordance with the statutory election procedure adopted by the District at its March 1970 Annual Meeting.

1. To see if the District will vote to establish a contingency fund in accordance with the Revised Statutes Annotated 198:4-b, such a contingency fund to meet the cost of unanticipated expenses that may arise during the year, and, further, to see if the District will raise and appropriate the sum of \$2,500 for this purpose.
2. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of School District Officials and Agents, and for the payment of statutory obligations of the District.
3. To see what action the District will take in relation to reports of Agents, Auditors, Committees or Officers chosen and pass any vote relating thereto.
4. To transact any other business that may legally come before said meeting.

GIVEN UNDER OUR HANDS AND SEALS AT SAID NORTH HAMPTON THIS 12th DAY OF FEBRUARY, 1985.

J. Gregg Sanborn Chairperson
Diane E. Jones
Thomas A. Maynes
School Board

A true copy of Warrant -- Attest:

J. Gregg Sanborn Chairperson

Katherine H. Southworth
Treasurer

**REPORT OF THE FIRE DEPARTMENT
OF THE TOWN OF NORTH HAMPTON
For the Year 1984**

The North Hampton Fire Department responded to 166 calls for various causes last year, down 6 from the previous year. These calls consisted of 65 structural fires, 25 mutual aid, 37 automobile fires, 5 public assists, and 1 plane accident with personal injury.

The Fire Department dispatched 166 fire calls and 211 ambulance calls for a total of 377. This is up 37 calls from the previous year.

Our in-house activity has increased markedly. This involves working on equipment, inspections of oil burning equipment in single family homes, and inspections of fire detection and fire suppression systems in the new industrial and mercantile buildings along Rt. 1. We have seen a tremendous amount of new construction in town and this makes it more demanding and challenging for the men of the department.

The Fire Department personnel have been to schools for arson investigation, fire alarm installations, and trouble shooting. The fire service is very much involved in the transportation and storage of hazardous material. We always take advantage of these schools so we can be of better service to the Town of North Hampton.

Respectfully submitted,
Newman Goodwin, Jr.
Chief

REPORT OF FOREST FIRE WARDEN FOR THE TOWN OF NORTH HAMPTON AND STATE FOREST RANGER

Our first forest fire prevention law was enacted by our State Legislature 90 years ago. This early law set in place a cooperative forest fire prevention and suppression effort between city and town governments and State government. It simply stated that no open fire could be kindled, when the ground is free of snow, without written permission of the town/city Forest Fire Warden. This law also stated that anyone kindling a fire without written permission shall be liable for the damage caused and subject to a \$1,000.00 fine.

During the past 90 years, this law has worked so well that it has remained unchanged. All open fires when the ground is not covered with snow must be authorized by the local Forest Fire Warden. Persons kindling a fire without a permit when one is required are liable for damages caused, fire suppression costs and subject to a \$1,000.00 fine.

This cooperative fire prevention law has contributed significantly to our nationally recognized annual forest fire loss record.

1984 STATISTICS

	<u>State</u>	<u>District</u>	<u>City/Town</u>
No. of Fires	875	437	9
No. of Acres	335	268	3

Newman Goodwin, Jr.
Fire Warden

**REPORT OF THE POLICE DEPARTMENT
OF THE TOWN OF NORTH HAMPTON
For the Year 1984**

The department records show that in the year 1984 theft and burglaries have both increased, thefts by 19% and burglaries by 79%. There have been 157 motor vehicle accidents reported, approximately 30 more than last year.

The department entered a program of fingerprinting in the elementary and nursery schools in cooperation with the Girl Scouts and the North Hampton Elementary School. This program will be continued on a regular basis.

In these times we urge you to report promptly any suspicious person or activity in your neighborhood and to be aware of what is happening around you. The best way to combat crime is through community cooperation with the police.

The Police Department would like to thank the other departments in town for their excellent support and cooperation. We would like to encourage the people of the Town to stop by with any suggestions and hope for the continuing spirit of cooperation we have pleasantly experienced in the past.

Respectfully submitted,

Bruce Golden
Chief of Police

**REPORT OF THE
NORTH HAMPTON AMBULANCE CORPS, INC.
FOR 1984**

1984 was a very active year for the North Hampton Ambulance Corps. In addition to manning the ambulance, our members have spent a great deal of time in training, both required and to learn more advanced skills.

Crews responded to 210 calls in 1984. This is an increase of 33% over the previous year. We are most grateful for residents who have assisted at these calls.

Being a volunteer organization, we have experienced difficult times. Our future now appears more promising. Although some veteran members have resigned, namely, Shirley Carter and Bertha Wolfson, we still have many talented, dedicated members. The support of other town departments and local residents have always been and continues to be strong and crucial to our operation. In addition, local hospitals, health care professionals, and State EMS employees are assuming an active role in our continuing education which is vital.

To assure the continuation of the Ambulance Corps, we would welcome new volunteers. Our job is not easy, but certainly is rewarding and a valuable service to the community. I look forward to hearing from you.

Respectfully submitted,

Sharon M. Hendry
President

REPORT OF THE BUILDING INSPECTOR

Building activity in the Town of North Hampton for the year 1984 and comparison figures for the years 1982 and 1983 are included below. A total of 247 permits were issued in 1984.

Also listed are the total number of construction inspections, zoning violations and health investigations.

	1982	1983	1984
Total Building Construction	\$2,549,820.00	\$5,087,073.00	\$7,335,174.00
Amount of Increase	568,410.00	2,537,253.00	2,248,101.00
% of Increase	28.7%	99.5%	44.1%
Permit Fees Received	\$ 13,491.00	\$ 26,247.00	\$ 36,865.00
Amount of Increase	2,895.00	12,750.00	10,618.00
% of Increase	27.3%	94.6%	40.5%

1984 ACTIVITIES

CONSTRUCTION INSPECTIONS

There were 570 construction inspections performed as follows:

Foundations	76	Progress	42
Framing	90	Permit Completion	103
Electrical	108	Certificate of Occupancy	72
Plumbing	76	Certificates issued	40
Insulation	75		

ZONING CODE ENFORCEMENT ACTIVITIES

Zoning violation investigations	64
Zoning violations served	23
Zoning violations corrected	22

HEALTH OFFICER ACTIVITIES

Health investigations	35
Septic inspections	19
Day care/Nursery/Foster home inspections	5

Respectfully submitted, John E. Medlock
Building Inspector

January 1, 1985

Health and Code Enforcement Officer

REPORT OF THE NORTH HAMPTON CONSERVATION COMMISSION FOR 1984

Your Commission had a most productive year. The Conservation land on the west side of Woodland Road near the Hampton line is open for the enjoyment of our residents. A trail through this has been cleared and marked and tables have been set out for picnicking. The exterior of the land has been posted against hunting. We expect everyone to be responsible for leaving the grounds in clean condition—leave nothing but your foot prints.

An exhaustive study of our two marshes, Little River Marsh and Bass Beach Marsh, was made by Dr. Frederick T. Short of the Jackson Estuarine Laboratory under a \$2,000 Coastal Grant from the Office of State Planning. Dr. Short's report (which is on file at the Town Office) is available for review. His basic conclusions were that the marshes were not receiving sufficient ebb and flow of the tide, and were slowly turning into fresh water marshes—with the attendant proliferation of purple loosestrife.

We have applied for another grant this year to make possible the implementation of some of the suggestions made in the report.

Dr. Frank Richardson, of the New Hampshire State Wetlands Board, gave an interesting marsh walk and talk in which he explained to the members what was happening to these marshes as well as showing us the different flora present. The Conservation Commission feels that the future of these marshes is of great importance not only to the Town but to our entire eco system in the seaboard.

We will shortly have available a brochure which has been produced regarding our conservation land. We hope the townspeople will feel free to investigate and enjoy this unique resource of our Town.

Respectfully submitted,

William J. Barrett, *Chairman*
Shirley Carter, *Secretary*

February 1, 1985

REPORT OF THE NORTH HAMPTON HIGHWAY SAFETY COMMISSION

The North Hampton Highway Safety Commission congratulates town and school officials for their continuing concern over safety on our roadways. They have anticipated problem areas and have been quick to act to reduce potentially hazardous situations.

The New Hampshire Department of Public Works and Highways has completed the shoulder-widening of Atlantic Avenue. A bike-way has been created to provide a safer biking and walking area from Lafayette Road to the beach. While we should be very pleased with this, we need to work toward similar improvements along other busy roads in town.

One of the greatest safety problems now facing the community is the greatly increased traffic flow along Lafayette Road (U.S. Route 1). Rapid commercial growth has suddenly brought us to the point where heavy traffic is no longer a seasonal phenomenon occurring only in the summer. Happily these businesses are doing well. But now the piper must be paid in the form of road improvements. Otherwise, we will increasingly pay with personal injuries and suffering.

Lafayette Road is under the jurisdiction of the State of New Hampshire. We, as a Town, need to let the State know, fully and clearly, how concerned we are over having to drive daily on the main artery of our community.

Townspeople are encouraged to communicate their highway safety concerns to Police Chief Golden and to the Selectmen.

Respectfully submitted,

Jeffrey A. Hillier,
Chairman

December 31, 1984

REPORT OF THE SEACOAST VISITING NURSE ASSOCIATION FOR 1984

During fiscal year July 1, 1983 to June 30, 1984, the Seacoast Visiting Nurse Association made 1,720 calls to residents of North Hampton.

Nursing	1,048
Physical Therapy	242
Occupational Therapy	32
Speech Therapy	36
Home Health Aide	362

Of these calls, 331 were made free of charge or at a reduced fee. It remains the policy of this Agency that no one is refused service because of inability to pay.

Currently 25 children from North Hampton are enrolled in our Well Child Clinic. These clinics are held twice a month to serve children from birth to six years of age from families who meet federal income guidelines (O.M.B.). Dental Clinics, staffed by Dental Hygienists from the State of New Hampshire Dental Bureau, are held twice a year for these children, ages three to six years old. Further treatment from a dentist, when needed, is provided under a grant given for this purpose by the local Rotary Club.

Daily, between 8:00 a.m. and 4:00 p.m., a "walk-in" service at our office is available to all residents for free blood pressure monitoring, diet counseling, blood drawings, injections, or to discuss any health problem which may be concerning them. Flu Clinics are held each Fall in our office and vaccine is also provided for our homebound patients.

Our staff consists of six (6) full time Registered Nurses, three (3) part time Registered Nurses, two (2) Physical Therapists, one (1) Occupational Therapist, one (1) Speech Therapist, one (1) Home Health Aide, a secretary and a bookkeeper.

REPORT OF THE NORTH HAMPTON RECREATION COMMISSION

The Recreation Commission had a great year. We established priorities and with the help of the Town's residents, it is our belief the recreational needs of the Town will be enhanced.

The priorities the Recreation Commission has established will improve and expand the Town's present facilities. The first priority is the resurfacing of the tennis courts at Dearborn Park. Our budget this year requests the needed monies to bring the courts back to a safe and playable surface. Little or no money has been spent on these courts since they were installed in 1975; without the money to repair the courts we could face a replacement cost of \$60,000.00.

The next item we have established as a priority is the installation of playground equipment at Dearborn Park. Dearborn Park is an area that is utilized to its present potential but not nearly to its maximum. In an effort to expand its potential, a playground project has been undertaken. The concept is an exciting one based on volunteer labor with materials and planning provided by trained experts. We had an informational session with the company and interested residents this fall. As a result of this work, our budget for 1985 includes monies for development of a plan for the playground.

The third item we would like to address is long range in nature. The present parking at Dearborn Park is poor. In an effort to better utilize the space, a paved parking area is under consideration. No monies are being requested for 1985.

The Summer Recreation Program had one of its best years. The enthusiasm by all those involved truly enhanced the program. In addition, thanks to funding by a local corporation, our youth enjoyed five weeks of tennis lessons arranged through the National Jr. League of New Hampshire Seacoast.

The Recreation Commission would like to thank the North Hampton Youth Association for its cooperation this past year.

All residents should discuss the priorities that the Commission has outlined and help establish other recreation needs for the Town. The Commission needs the input of all residents to be successful.

Respectfully submitted,

Jill Brandt, *Treasurer*

William A. Hickey, III, *Chairperson*

Anna Pike

John Chase

Allison Robie, *Secretary*

REPORT OF THE NORTH HAMPTON YOUTH ASSOCIATION

1984 has seen an excellent increase in participation in the programs of the North Hampton Youth Association. Particularly evident among youngsters in the lower grades, this growth shows that recreational activities such as those provided by the N.H.Y.A. are a very valuable part of our community.

Equally encouraging is the large number of parents willing to help with the innumerable tasks and responsibilities which accompany any community service. Thank you!

The N.H.Y.A. has two major goals for 1985. First, the number of teams in the various sports needs to be increased to accommodate the many interested youngsters. Second, an additional playing field needs to be developed in order to make room for the growth in soccer, softball and baseball.

The officers and directors are as follows:

1984 Officers

<i>President</i>	Jeffrey Hillier
<i>1st Vice President</i>	Don Bullard
<i>2nd Vice President</i>	Anna Pike
<i>Secretary</i>	Gail Johnson
<i>Treasurer</i>	Richard Lynch
<i>Clerk</i>	William Boesch

1984 Board of Directors

William Boesch	Lori Pearce
Jeffrey Hillier	Roger Rice
Thomas Maynes	Ron Vermeersch
Anna Pike	Don Bullard
Ed Facey	Richard Lynch
William Hickey	Hank Dougherty
Gail Johnson	Tony Marino
John Morse	Edward Orr

The N.H.Y.A. is managed by sixteen residents who volunteer to serve on the Board of Directors. The Directors wish to thank the North Hampton community for its continued financial support over the years.

Respectfully submitted,

Jeffrey A. Hillier
President

REPORT OF THE NORTH HAMPTON MOSQUITO CONTROL COMMISSION FOR 1984

Some residents labelled 1984 "The Year of the Mosquito." Indeed last year was an exceptional year for mosquitoes due to excessive rainfall and irregular marsh flooding. The mosquitoes kept us busy but sprayer maintenance ran a close second. The truck sprayer suffers from old age. It did run for three weeks, but then the problems returned. In order to save the old sprayer, the insecticide flow meter must be replaced. Renovations are currently underway to inhibit the rust problem.

When the sprayer was inoperable, Rye offered the use of their truck mounted sprayer. This worked out well until their sprayer broke down. As both supervisor and mechanic, I consider 1984 to be "The Year of Equipment Failure." So when we weren't working on the sprayers we were spraying mosquitoes.

The moon, exerting its gravitational forces on the earth, raises tidal levels high enough to flood the salt marshes. At this time mosquito eggs laid on the marsh grass wash into the water and hatch into larvae. Newly hatched larvae are nearly invisible to the untrained eye. Larvae filter feed on organic debris. These larvae are killed when a stomach poison, added to the water gets filtered into the stomach. Next year we will be using a highly selective larvicide known as B.T.I. (*bacillus thuringiensis var. israelensis*). This same species of bacteria is widely used for gypsy moths. B.T.I. is more extensive than other alternatives, but it is compatible with the environment.

When conditions are favorable mosquitoes will develop from egg to adult in from 7 to 10 days. This doesn't leave much time for larviciding. Once mosquitoes are airborne, adulticiding is the only alternative. Adulticiding is an expensive method of control, yet test results show effectiveness for up to 4 days.

Adulticide activity is timed to coincide with peaks in the adult mosquito population. We monitor the population weekly using traps baited with white lights and dry ice. Dry ice give off carbon dioxide, CO₂ — the same product we exhale, and CO₂ is highly attractive to many species of mosquitoes. The traps are run from about 4:30 p.m. to 8:30 a.m. once a week. The catches are imme-

diately frozen, and the females are sorted from the variety of insects and spiders caught. We identify and record the species found in North Hampton. The data can be compared from one year to the next. One freshwater mosquito, *Aedes Vexans*, greatly increased in number during 1984. This increase is directly related to the increased rainfall during the summer.

The salt marshes required attention nearly every week this past summer. Unpredictable flooding occurred when a tide wasn't quite high enough to flood the marshes, but heavy rains fell which made up the difference. When the salt marshes need spraying everything else takes a back seat. Salt marsh larviciding is a true test of endurance. Workers must carry back pack sprayers over miles of salt marsh, jumping trenches, falling into ditches, battling greenhead flies and dehydration. This is difficult work but is the most effective and least expensive way to control mosquitoes.

I would like to thank the residents of North Hampton for their support and understanding during the weeks when our sprayer was down. Special thanks go to the Selectmen for their guidance and support. Finally, I want to thank Lee Brooks for his assistance and mechanical ability.

Respectfully,

Sarah Tillotson, *Entomologist*

**TOWN OF NORTH HAMPTON
SCHOOL DISTRICT WARRANT
1984
THE STATE OF NEW HAMPSHIRE**

To the inhabitants of the School District in the Town of North Hampton, in the County of Rockingham, State of New Hampshire, qualified to vote on District Affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE NORTH HAMPTON ELEMENTARY SCHOOL AUDITORIUM ON ATLANTIC AVENUE IN SAID NORTH HAMPTON ON MONDAY, MARCH 12, 1984, AT 7:30 P.M. IN THE EVENING TO ACT UPON THE FOLLOWING SUBJECTS:

Notice: School District Officers will be elected at the Town Meeting, North Hampton Elementary Cafeteria, March 13, 1984, in accordance with the statutory election procedure adopted by the District at its March 1970 Annual Meeting.

ARTICLE I: To see if the District will vote to raise and appropriate \$33,666.00 for the purpose of implementing a kindergarten program in the North Hampton School District.

William Boesch moved that the District vote to raise and appropriate the sum of \$33,666.00 for the purpose of implementing a kindergarten program in the North Hampton School District - Seconded by Gregg Sanborn. The School Officials and parents pointed out and discussed the need for early childhood preparation. In response to a petition signed by more than 10 registered voters a secret yes/no ballot by checklist passed Article I - 173 yes - 62 no.

ARTICLE II: To see if the District will vote to establish a contingency fund in accordance with the Revised Statutes Annotated 198:4-b, such a contingency fund to meet the cost of unanticipated expenses that may arise during the years and, further, to see if the District will raise and appropriate the sum of \$2,500.00 for this purpose.

Diane Jones moved that the District vote to establish a contingency fund in accordance with the Revised Statutes Annotated 198:4-b, such a contingency fund to meet the cost

of unanticipated expenses that may arise during the year and, further move that the District raise and appropriate the sum of \$2,500.00 for this purpose. - HAND VOTE - PASSED.

ARTICLE III: To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of School District Officials and Agents, and for the payment of statutory obligations of the District.

Gregg Sanborn moved that the District vote to raise and appropriate the sum of \$1,322,191.00 for the support of schools, for the salaries of School District Officials and Agents, and for the payment of statutory obligations of the District. Mrs. Brandt made a motion to amend the budget so that the regular Salaries - Teachers account no. 1100/1103 would read as \$642,797.00 - Seconded. After considerable discussion Mr. Roger Rice moved to end the discussion of the amendment - Seconded - HAND VOTE - Amendment to end discussion passed. Mr. Sanborn explained Yes/No checklist balloting per the petition. YES, 109 - NO, 58 - Amendment to increased teacher salary account passed. Mr. Sanborn read the remainder of the budget line by line. Mr. Mark Savage moved that the 7000 category be increased to \$148,700.00 (to restore the fixed charges relating to the increased salary account) - HAND VOTE - PASSED. The total budget of \$1,345,349.00 was moved - Seconded - HAND VOTE - PASSED.

ARTICLE IV: To see what action the District will take in relation to reports of Agents, Auditors, Committees of Officers chosen and pass any vote relating thereto.

Mr. William Boesch moved that the District vote to accept the reports of Agents, Auditors, Committees of Officers chosen as printed in the School District Reports - HAND VOTE - PASSED.

ARTICLE V: To transact any other business that may legally come before said meeting.

Mr. Gregg Sanborn discussed the resignation of Board Member William Boesch and presented a plaque for his

years of service (1975 - 1984). The voters recognized Mr. Boesch with a standing ovation.

It was moved that the meeting adjourn - Seconded - HAND VOTE - MOTION CARRIED - Meeting adjourned 10:00 P.M.

(Given under our hand and seals at said North Hampton this 20th day of February, 1984)

Respectfully submitted,

Judith H. Batchelder

REPORT OF THE AUDITORS

To the Members of the School Board
North Hampton School District
North Hampton, New Hampshire

We have examined the combined financial statements and the individual fund statement of the North Hampton School District as of and for the year ended June 30, 1984, as listed in the accompanying table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset group of accounts, which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset group of accounts results in an incomplete presentation as explained in the above paragraph, the combined financial statements and the individual fund financial statement referred to above present fairly the financial position of the North Hampton School District at June 30, 1984 and the results of its operations for the year ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole. The individual fund statement and supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the combined financial statements of the North Hampton School District. The information has been subjected to the auditing procedures applied in the examination of the combined financial statements and, in our opinion is stated fairly in all material respects in relation to the combined financial statements taken as a whole.

Carri, Plodzik & Sanderson
Concord, New Hampshire

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Accountability

During the school year 1984-85 all school districts within the School Administrative Unit #21 have been actively involved in the areas of academic accountability, curricula examination and staff development. In October of 1977, at the initiative of the Commissioner of Education, the New Hampshire Department of Education developed the Educational Accountability Plan in order to improve student performance by introducing the concept of accountability into educational planning at the local district level. Although guidelines do allow for flexibility, the State does require that six steps be addressed in the accountability program. Steps include (1) the identification of basic skills, (2) the development of test instruments, (3) test administration, (4) the analysis of test results, (5) a report to the community and State Department of Education, and (6) the development of a management plan based upon test results. The accountability program is cyclic and requires that steps (3) through (6) are to be repeated at the end of each management plan.

SAU #21 utilizes the results from the nationally normed achievement test, the Iowa Test of Basic Skills, and the Seacoast Educational Service Criterion Referenced Test. The Iowa Test of Basic Skills is given in grades 3 through 8 and the Criterion Referenced Test in grades 5, 8, and 11. As in the past, students in SAU #21 performed at or above the national norm in almost all areas on the Iowa Test of Basic Skills. Our greatest strengths are in the areas of reading, language arts, and reference skills. Areas designated for improvement in the academic management plans this year are map and globe skills, spelling, mathematics computation and problem solving.

The results of the 1984-85 writing samples for grades 8 and 11 from the Seacoast Educational Service Criterion Referenced Test are much improved over the past three years. Students are writing with greater detail and fluency. Mechanics, particularly sentence structure, capitalization, and punctuation were markedly improved. Potentially strong papers were diminished in impact because they lacked focus and often conclusions tended to be weak.

In the 1985-86 school year Winnacunnet High School is planning to implement a nationally normed achievement test in grades 9 and 10, a vocational aptitude battery in grade 11 and a career interest test in grade 12. Although much information about curriculum and student learning can be gleaned from test results, student daily performance and teacher observations are also necessary in constructing a goal-oriented academic management plan.

Curriculum

Curriculum Guides were distributed to all classroom teachers in grades K-8 in SAU #21. These guides were the result of intensive work during the 1983-84 school year. Teachers in grades K-8, with the assistance of teachers in the English, Mathematics, Science and Social Studies Departments at Winnacunnet High School, coordinated and designed units of study which listed, by grade level, essential student outcomes with performance indicators in each of the above subject areas. Presently, teachers in grades K-8 are field-testing the essential student outcomes. These are to be refined during curriculum work in the summer of 1985.

During the summer of 1985 the Computer Curriculum Committee will also be working toward a unified curriculum for SAU #21 students K-12. The new High School Standards adopted by the State Board of Education in 1984, require that effective with the opening of the 1986-87 school year, the approved high school shall provide one-half unit of credit for all students in computer education. This mandate is sure to have an impact on the present computer curriculum in all schools in New Hampshire.

The addition of the 1984-85 Honors Algebra Program at Winnacunnet High School for qualified eighth graders has been very successful largely due to the cooperation between the feeder schools and the Winnacunnet High School mathematics department. Also for the first time, a mathematics placement test will be administered in the spring to all eighth grade students entering Winnacunnet High School in the fall of 1985.

Staff Development

A revised, five year Staff Development Plan was approved by the Joint School Boards in 1984. Every employee who holds a position for which certification is required shall participate in the SAU #21 Staff Development Program. The purpose of Staff

Development in SAU #21 is to improve the learning experiences of students. The professional educator sees education as a life-long process and recognizes his/her own obligation to plan for self-improvement, thereby enriching the learning experience of his/her students.

Many of the staff development activities offered in SAU #21 are coordinated with the individual district's academic management plans. Drug and alcohol abuse, student learning styles, mathematics in the intermediate grades, teaching language arts through literature, the writing process, advanced study skills, oceanography, and educational management through the use of computers are some of the workshops and courses offered during the 1984-85 school year.

With our dedicated staff of well-trained teachers and specialists, and with the continued support of the many individuals who make up our school boards, PTO's, booster clubs, volunteers, and general citizenry, the schools in SAU #21 will continue to maintain an environment that is conducive to learning and one that demands high standards of academic performance from all of our students.

Respectfully submitted,
Susan R. Bunting
Assistant Superintendent

REPORT OF THE PRINCIPAL

This year has been an exciting and fulfilling one at North Hampton Elementary School!

An active Kindergarten Committee, made up of teachers and parents, worked diligently to inform the community of the benefits of early childhood education and at the Town Meeting in March, a public school Kindergarten was widely supported. In September 1984, forty-two five-year olds entered our school for the first time.

Another first for North Hampton Elementary School is the opening of the Winnacunnet High School Algebra I course for our mathematically talented eighth graders. Students are transported daily to W.H.S. to participate in this high school level course.

Our writing scores are strong and continue to show gains as assessed by the annual Seacoast Educational Services Writing Sample. This, I feel, is a direct result of our recent emphasis upon the writing process and the hard work of teachers who have received training in writing courses, workshops and seminars.

All teachers have been involved in year-long curriculum work under the direction of Assistant Superintendent, Susan Bunting. Early released days were devoted to developing goals and objectives for all major academic areas in grades K-8. Through working and sharing with teachers in other schools in SAU #21, new curriculum guides were written and are being field-tested in classrooms throughout the year.

Computer education is being expanded through in-service training for teachers and implementation of courses for students. These include instructional programs as well as skills reinforcement and practice programs.

The Special Education Department has continued to work to provide quality programs for our special needs students.

Enrichment programs are available in the areas of Reading and Writing for talented students in grades 1-4. Advanced Literature courses are offered to 7th and 8th graders. New courses include Study Skills for grade 6 and Computeronics for grade 7.

Plans for next year include the implementation of a new Spelling program for grades 1-8; a Drug and Alcohol Abuse Prevention

Program at selected grade levels and a stronger emphasis upon mathematics computation and problem solving skills.

Extra curricular activities are still expanding and are an important adjunct to our educational programs. They have a vital role in the development of well-rounded individuals. North Hampton Elementary School offers activities that provide opportunities for social growth, the fostering of healthy competitive spirit and the building of self-esteem whether as an individual or the part of a team. Activities include Band, Chorus, Art Club, Photography Club, Drama, Student Council, skiing, basketball, soccer, softball, baseball, cross country track. Special events are: Young Authors' Contest, Oratoricals, Spelling Bee, and Olympics of the Mind.

Our thanks to the dedicated teachers; to the Boosters' Club and the many interested parents; and the strongly supportive School Board. Working together we are able to provide our youngsters with quality programs and a variety of valuable learning experiences.

Respectfully submitted,

Joan Hammond
Principal

Norman C. Katner
Superintendent of Schools
